

**R315. Environmental Quality, Solid and Hazardous Waste.**

**R315-13. Land Disposal Restrictions.**

**R315-13-1. Land Disposal Restrictions.**

The requirements as found in 40 CFR 268, 2000 ed., are adopted and incorporated by reference including Appendices IV, VI, VII, VIII, IX, and XI, with the exclusion of Sections 268.5, 268.6, 268.42(b), and 268.44(a) - (g) and with the following exceptions:

(a) Substitute "Board" for all federal regulation references made to "Administrator" or "Regional Administrator" except for 40 CFR 268.40(b).

(b) All references made to "EPA Hazardous Waste Number" will include P999, and F999.

(c) Substitute Utah Code Annotated, Title 19, Chapter 6 for all references to RCRA.

(d) The universal wastes listed at 40 CFR 268.1(f) are exempted from the requirements under 40 CFR 268.7 and 268.50, including mercury-containing wastes, as described in R315-16-1.6.
